## Academic Diversity Calendar 2010/2011

I am pleased to announce that due to numerous requests that we are able to offer the **Academic Edition of the Diversity Calendar** for the first time for the Academic year September 2010 – August 2011.

This is available as an **online** edition and in **printed** format – and comes bespoke with your logo, photos, quotes and information. We can also include details on semester dates, induction week, examination dates or graduation dates if required.

The Diversity calendar is now established as the leading annual Diversity publication in the UK and Ireland. It is an important resource for staff and students as each month details all the main religious and secular dates - including bank holidays.

The bespoke **Academic Edition of the Diversity Calendar** is just £945. This gives **UNLIMITED** access for **ALL** staff, students and the wider community for the year ahead. You can place the Diversity Calendar on your University's website(s) or intranet – to be freely accessed by staff and students. You can also distribute the Diversity Calendar by email to all staff/students so that they have their own desk copy – on their laptops, at home or in their rooms.

If you'd like printed copies also we can provide these for just £4.75 per copy (normal price £9.99). The minimum order is 1,000 copies. You can choose the Wall or Desktop version for printed copies.
