

**HOW TO FIND WORK,
TRANSFORM YOUR CAREER
AND BUILD A SECURE FUTURE
IN CHALLENGING TIMES.**

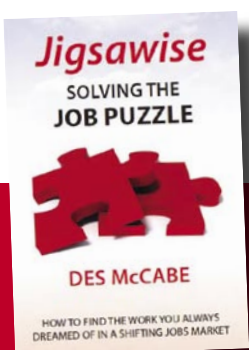

HALF DAY IN-HOUSE SEMINAR

'The Jigsawwise process represents a new approach to work and jobs which reflects the nature of the modern economy'

Vincent Cable MP - Business Secretary, UK Government

The UK's leading career development seminar for Public Sector employees

Based upon the highly acclaimed book
'Jigsawwise - SOLVING THE JOB PUZZLE' by Des McCabe

JIGSAWISE IS A MUCH-NEEDED NEW APPROACH TO WORK...

Rather than devoting all your time to one job – often to the exclusion of other interests – Jigsawise shows you how to find and create individual pieces of work (with the help of personal contacts, the Internet and other resources) and use these workpieces to build a career.

Jigsawise provides a template for making work fit into our lives, providing an income and financial security, but also accommodating the needs of our

families and relationships, and satisfying our personal ambitions. Employment is changing: fewer of us have full time jobs with final salary pensions. Jigsawise will help you gain the skills, aptitude and confidence to adapt and prosper in this new world of work.

If your organisation is likely to reduce its staffing in the future, then you can provide important support for employees with Jigsawise - the UK's leading career development seminar.

MORE QUOTES

- Jigsawise offers an alternative to the traditional view of work life balance. I would recommend Jigsawise to anyone looking to take personal responsibility for their income generation and who finds the competitive and solitary model of 'self employment' off putting.

**Simon Bland (Surrey), Community Liaison
Manager - Reigate Banstead Borough Council**

- Great alternative approach.

**Sanchia Alasia (Romford) - Newham University
Hospital NHS Trust**

- The first thing that becomes apparent about Jigsawise is its practicality. Des McCabe has a vast knowledge of the world of self development and training. Jigsawise will help many people to get more out of themselves and their life and help them make a greater contribution.

**Ted Garratt (Leicestershire), Director - Target
Resources (HR Services) Limited**

- Jigsawise opens your mind to new possibilities and highlights that we need to find out what we want and then start building how we can achieve this, rather than trawling websites to see if someone wants what we have to offer.

J. Smith (London), Money Advice Trust

- Brilliant! Three words came to mind about Des McCabe's Jigsawise 'fresh, exciting and real'. I thoroughly recommend Jigsawise. Des McCabe has drawn THE map of the new world of work and it's a pretty useful one.

Don Smith (Wolverhampton), Director, Mindstyle

- Des offers a clear guide to how individuals can re-build a career out of individual pieces of work and integrate them both with each other and with other aspects of their lives. In difficult economic times, Jigsawise offers a solid practical model to get back to work.
